Attention: Gregory H. Boyce
Manager of Gold Mine Project in Barney's Canyon

Notice is hereby given to you and each of you and any other public or private agency, person, firm, corporation, partnership or other entity, however styled, that the Copperton Improvement District, a public instrumentality, protests and opposes the granting of any permits, approvals, licenses or consents for the development of proposed gold mining operations in Barney's Canyon, Salt Lake County, Utah, on the grounds that said operations may adversely affect and cause pollution and

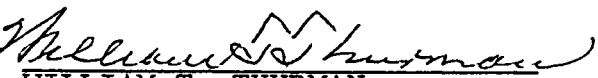

Presented to the Board 7-28-88

contamination of the waters in the District's culinary water wells in said canyon. This protest and opposition shall remain in full force and effect pending the completion of reliable investigations, surveys, studies and tests determining to the satisfaction of public health and other qualified authorities that said gold mining operations will not result in any adverse effect upon, pollution or contamination of said waters of the Copperton Improvement District.

Notice is hereby further given that failure to comply fully with the terms and condition of this Notice of Protest will result in the Copperton Improvement District seeking injunctive relief and pursuing any other remedies which may be available to the District at law or in equity in order to prevent or terminate such adverse effect upon or pollution or contamination of said waters.

PLEASE GOVERN YOURSELVES ACCORDINGLY.

Board of Trustees of the
Copperton Improvement
District
